

Sunday, May 26 - Saturday, June 1, 2013

Construction Overview

ORTEGA BRIDGE LANE REDUCTION

Saturday, June 1 - 10 p.m.

- On Saturday, June 1 at 10 p.m., crews will reduce lanes on the Ortega Highway bridge over the I-5 freeway to two lanes in either direction in preparation for upcoming demolition activities on the south half of the bridge.

This configuration will last for approximately one year as crews work to demolish and reconstruct the south half of the bridge. [Please click here for more information.](#)

**During this configuration, large trucks and trailers more than 40-feet long will be unable to exit the I-5 southbound off-ramp and maneuver a left turn to eastbound Ortega Highway and will have to utilize alternate routes. [Please click here to view alternate routes for trucks more than 40-feet long.](#)*

Please see below for the configuration during the lane reduction:

- Crews will open the pedestrian walkway on the north half of the Ortega Highway bridge the morning of Thursday, May 30. This walkway was constructed in preparation for the upcoming south half bridge demolition activities. During the south half bridge reconstruction, there will be no pedestrian access on the south side of the bridge. Pedestrians will be directed to utilize the walkway on the north side of the bridge.
